What you need to know:

- Superior Quality – BC Made
- Pre-built as solid panels – allows for faster installations
- Stronger & sturdier – pickets are welded to both the top and bottom extrusions
- 7-step powder coating process – long lasting finish that is ding resistance
- Tempered glass – safe, strong, durable, and crystal clear
- Engineered and fabricated to exceed building code requirements.
- Maintenance free – unlike wood aluminum railing requires little to no upkeep
- Complete custom fabrication available
- 20 Year Warranty

7 Steps to Powder Coating Success

Made to withstand the harshest environments, Innovative's railings go through 7 essential preparation steps to insure durability and a long lasting finish.

- 1 Degreaser & cleaner dip
- 2 Fresh water rinse
- 3 Acid cleanser & conditioner dip
- 4 Fresh water rinse
- 5 Sealant coat dip
- 6 Powder coating
- 7 Oven cure

With over 25 years of experience installing home exterior products we know a good product from a bad one. We believe in quality and durability and that you always get what you pay for. This is why we offer Innovative Railings to you. Choose Modern and choose a quality product that will be installed correctly.
