**Full Time:** 8hrs/Day – Monday to Friday – Permanent Full-Time

**Work Location:** Courtenay, British Columbia

**Department:** Outside Operations

**Area of Specialization:** Duradek™, Railings and Patio Covers

**Wage Range:** \$30.00 - \$36.00 (hourly) with **Competitive Piece Pay** component

**Specific Job Training:** To Be Provided

**Work Site Environment:** Commercial/Residential

**Modern has been proudly supporting the building industry on the Sunshine Coast, Vancouver Island and the Lower Mainland and is the local source of quality windows, doors and building products since 1986. Our customers include DIY, residential and commercial builders.**

In this full-time role, you will play a key part in supporting our day to day operations as part of our Installer team in the Courtenay branch. You will exceed customer expectations by providing the highest quality installation and service every time. In this role your hard work directly determines your pay...**the more you produce, the more you earn!** This is a great opportunity for those who take pride in efficiency and accuracy and you will put your skills to work by providing exemplary service in the following ways:

### **Key Job Responsibilities:**

- Perform high quality installation of a variety of products such as Duradek™, aluminum railings systems, patio covers, and more.
- Various methods of installation including cutting, fastening and sealing to ensure a sound and high quality finish.
- Utilize heat welding techniques to ensure secure and durable seams in vinyl materials.
- Work closely with the project team to coordinate installation schedules and maintain efficient workflow.
- Troubleshoot and resolve any issues that may arise during the install process.
- Various prepping tasks, maintain and organize tools and general clean-up.
- Enthusiasm for providing excellent customer service to increase customer retention and satisfaction.
- Ability to work well with others and in a safe manner.
- Performs other job-related duties as assigned by Supervisor.

### **Required Education, Skills and Qualifications:**

- 2-4+ years' experience with on-site installations of Duradek™, or similar vinyl decking, and railing installations.
- Working knowledge of BC building codes.
- Previous experience in a construction, home building or renovation industry is required.

- Carpentry experience or certification or working towards a certification is an asset.
- Ability to work with a variety of hand tools, powered tools and assembly machinery.
- Excellent planning, time-management and communication skills.
- Functional math skills to calculate and measure and ability to read tape measure.
- Sound ability to read and interpret blueprints, construction drawings and project specifications.
- Class 5 Drivers License is preferred; must provide an ICBC abstract.
- First Aid, WHIMIS would be an asset but may be provided.
- Ability to communicate effectively and respectfully with customer.

**Environmental, Physical & Mental Demands:**

- The physical demands of this job require the employee to have good coordination and the ability to lift up to 23kg-34kg (50-75lbs).
- Ability to work outdoors and in various weather conditions.
- Must be committed to working safely and adhering to all health and safety policies while maintaining safe work environment at all times.

**Total Pay Package:** Competitive compensation and extended benefits plan including, health and dental available at 6 months.
