

PHYSIQUE XL™

WARRANTY

ROLLTEC® Rolling Systems Ltd. warrants its retractable **PHYSIQUE XL™** awning frame, fabric cover, motor and accessories, if the awning is so equipped, to be free from defects in materials and workmanship under normal and proper use for the following durations commencing from the date of purchase:

- The **PHYSIQUE XL™** framework is under warranty for a period of **(5) five years**
- The powder coating on the finished frame is under warranty for a period of **(5) five years**
- The fabric cover, including sewing and seams, are under warranty for a period of **(10) ten years** (see fabric warranty for details)
- Motors and motor accessories, including switches and transmitters, are under warranty for a period of **(5) five years**
- Labour, performed by **ROLLTEC®** or authorized dealer, such as installation and repair, are under warranty for a period of **(1) one year**

Any defects must be reported to **ROLLTEC®** or authorized dealer within the periods listed above. The limited warranty is only valid to the original purchaser with proof of purchase. **ROLLTEC®**'s sole obligation under this limited warranty shall be to replace or repair, at its' discretion, those frame parts or fabric components, which are found to be defective. Any freight cost related to the repair or replacement is owner's responsibility.

This limited warranty does not cover damages caused by misuse or neglect, accidents, fire, vandalism, strong winds, hurricanes, snow, heavy rain, hail or any other acts of God. Normal wear and tear are not covered by this warranty. The limited warranty does not apply to damages to any structure to which the system is attached.

The standard manufacturers' warranty for the fabric cover, motors and other optional equipment are not covered by **ROLLTEC®**'s limited warranty and they are automatically passed on to the original purchaser by any such manufacturer. Copies of these warranties are available upon request.
